# Thank You To Our 2021 Major Supporters!

First, we would like to thank Walmart for their continued support! For many years Walmart Vegreville\* has provided us with frozen meat and non-perishable groceries donations. These donations received bi-weekly are a staple for our hampers, providing much needed protein. Walmart also regularly provides us with grants for fresh food and food transport.

Secondly, we would like to thank Adam's No Frills for their courteous service, drives, and donations throughout the year.

We would also like to thank VM Systems for donating our website fees for 2021. Your continued support is appreciated.
